

Sativa Water System

NOTICE TO SATIVA WATER SYSTEM CUSTOMERS

Sativa - Lucien Waterline Project

Los Angeles County will be constructing the Sativa-Lucien Waterline Project as part of the Sativa Water System. The project will improve water flow capacity within the Sativa Water System. The project is located on Lucien Street between Oleander Avenue and Largo Avenue, as shown on the map below.

Construction is expected to begin late January 2020 and be completed by April 2020. Construction hours will be from 7 a.m. to 4 p.m., Monday through Friday. Residents may experience minimal traffic impact and parking restrictions. LA County will be monitoring maintenance activities to ensure compliance with all applicable traffic and safety laws.
