

NOTICE OF WATER FACILITIES IMPROVEMENT PROJECT

PAULSEN PIPELINE PROJECT

DEAR RESIDENT:

This notice has been provided to inform you that Suburban Water Systems, on behalf of Los Angeles County, will be constructing a water pipeline improvement project in your neighborhood, as shown on the area map included with this letter. Construction is expected to begin Monday, October 24, 2022, and will take approximately one month to complete. Work will be performed between the hours of 8:00 AM and 5:00 PM, Mon-Fri; however, night time work may also be required. Please be advised that parking on the street may not be available during construction, however "No Parking" signs will be posted 48-hours in advance to identify impacted areas.

The project requires water service interruptions which may affect your residence. Notifications will be placed on the front door of your residence a minimum of 48- hours in advance of any planned interruptions.

As with any project of this type, during construction we may discover unknown conditions underground. Although unlikely, such conditions may result in an unscheduled interruption of service and may lengthen the duration of construction. We appreciate your patience during this important project.

If you have any questions regarding this project, please contact Suburban's Engineering Department at (626) 824-1762 weekdays between 7:00 AM and 3:30 PM. For emergencies or questions after regular business hours, please call (562) 944-8219
